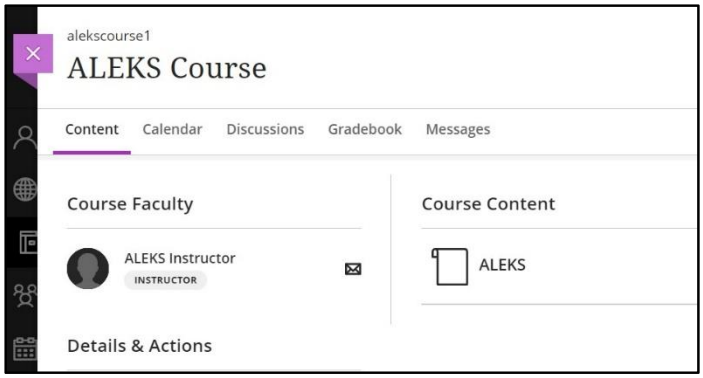
Blackboard (Ultra): Student Pairing for Inclusive Access

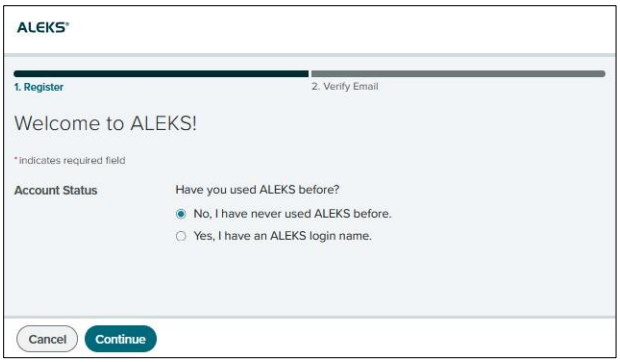
Video Walkthrough: Click to View

To pair your LMS account with **ALEKS**, follow the steps below.

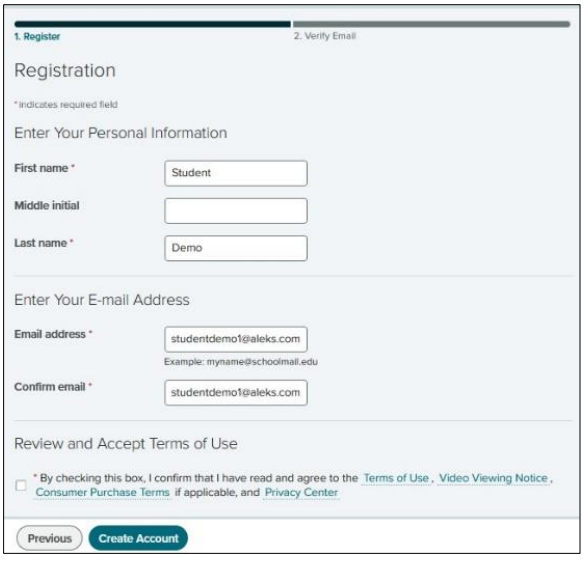
1. Log into your Blackboard account.
2. Select your course.
3. On the **Content** tab, locate **Course Content,** and then select the tool link **ALEKS.** (Note, the name of the tool link may be different for your school and class.)



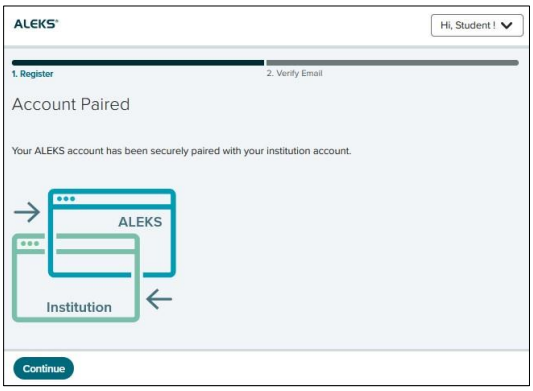
4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.



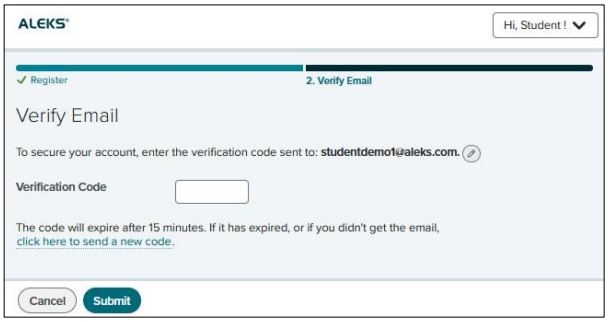
5. Verify your information, accept the Terms of Use, and select **Create Account**.



6. Your account is now paired with ALEKS. Select **Continue**.



7. Verify your email address by entering the code you receive to the email associated with your ALEKS account. Select **Submit**. This will take you to a page where your email will be verified. Select **Continue**.



8. You are now in your ALEKS Student Account Home.
