Canvas: Student Pairing with Access Code

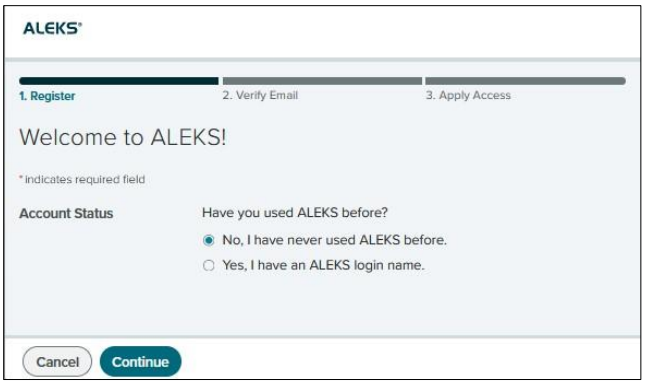

Video Walkthrough: Click to View

To pair your LMS account with **ALEKS**, follow the steps below.

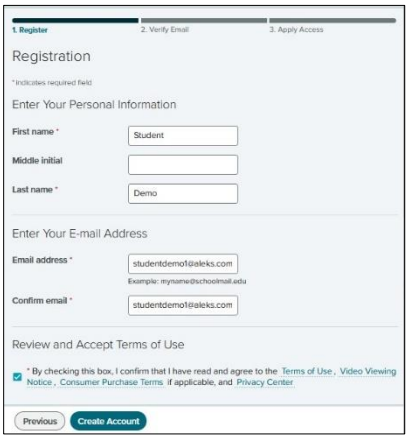

1. Log into your Canvas account.
2. Select your course.
3. On the left-side navigation menu, select the tool link **ALEKS**. (Note, the name of the tool link may be different for your school and class.)

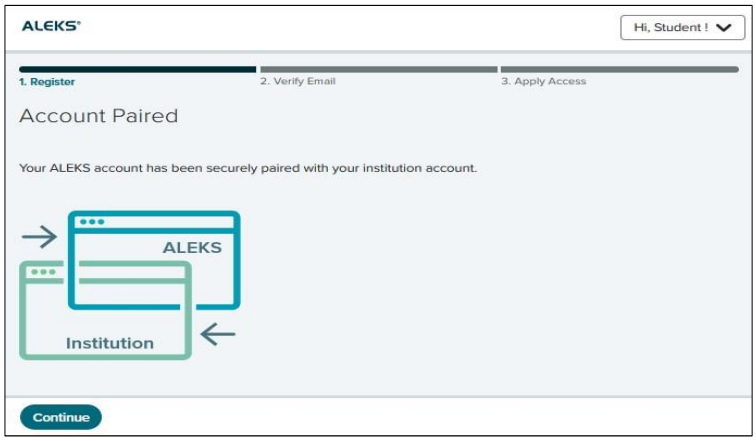

4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

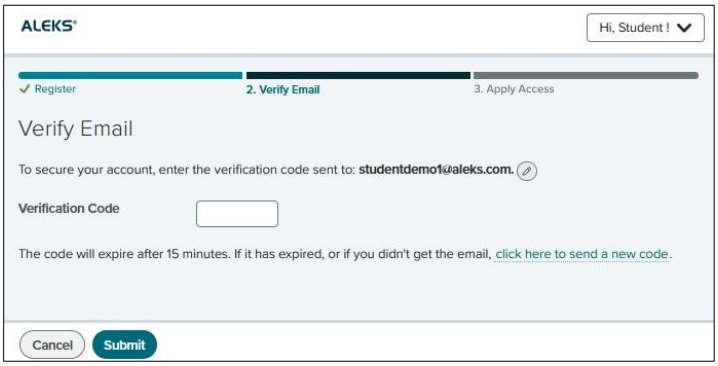

5. Verify your information, accept the Terms of Use, and select **Create Account**.

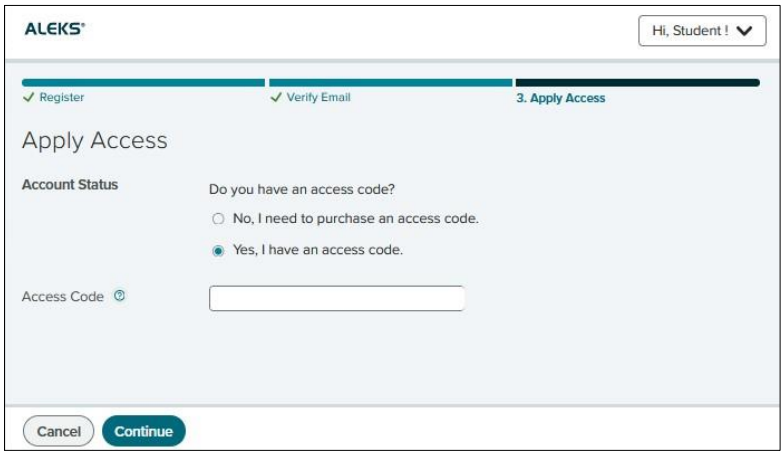

6. Your account is now paired with ALEKS. Select **Continue**.

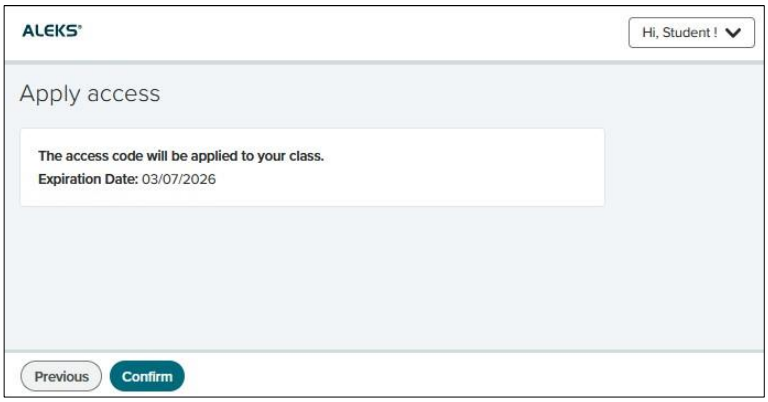

7. Verify your email address by entering the code you receive to the email associated with your ALEKS account. Select **Submit**. This will take you to a page where your email will be verified. Select **Continue**.

8. If you already have a 20-character access code, select the second option to continue your registration. If you do not have a 20-character access code, select the first option to purchase the code via ecommerce and complete registration.

9. Confirm your access code expiration date. Select **Confirm**. (The example is for students that already have an access code.)

10. You are now in your ALEKS Student Account Home.
